

COMPANY PROFILE 2023

APPRECIATION

We appreciate you taking the time to go through the CK Skillset company profile. This is a great opportunity for us to communicate our services and key competitive strengths to you.

This profile is designed to provide you with an introduction to CK Skillset, and we hope and look forward to meeting our clients personally to develop a relationship through one-on-one interaction.

“If you are working on something exciting that you really care about, you don’t have to be pushed. The vision pulls you”

Steve Jobs

Our Vision

To be the forefront of the technical maintenance industry, providing practical, innovative solutions that enhance the lives of our clients and exceed their expectations.

Our Mission

To deliver reliable and professional technical services that are tailored to the unique needs of our clients. We strive to continuously improve our skills and knowledge to stay ahead of the game in providing innovative solutions that exceed customer expectations.

Our Team

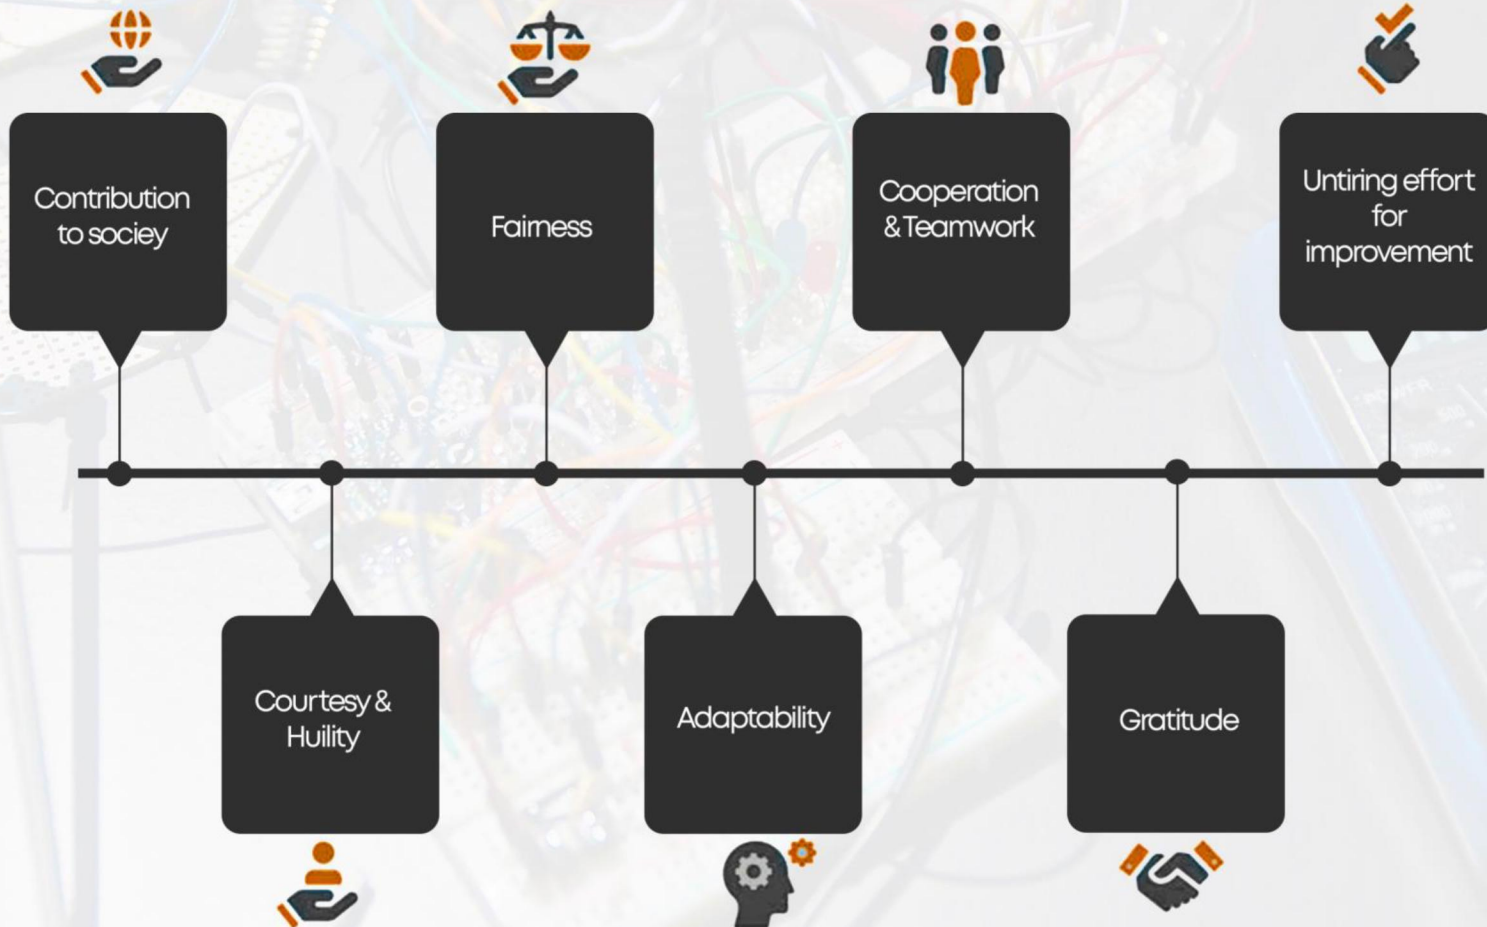

Our team of experienced and skilled professionals has the expertise and knowledge to handle any type of repair or installation project. From plumbing and electrical work to carpentry and painting, we have the tools and resources to get the job done right the first time. We work closely with our clients to understand their specific needs and preferences, and we always go the extra mile to ensure their satisfaction.

Our Safety Policy

It is our utmost priority to make our customers and employees safe and to guard the environment and workplace against unsafe materials and actions. CK Skillset recognizes its responsibility in providing an integrated approach to health, safety and environmental management in the plant, offices, on site and at client's locations where it provide its expertise

OUR 7 PRINCIPLES

CK Skillset has developed a culture which has contributed to our success to date. The principals which we aspire to and which define our culture are:

“Once you got a solar panel on a roof, energy is free. Once we convert our entire electricity grid to green and renewable energy, cost of living goes down”

Elizabeth May

OUR STRATEGY

CK SKILLSET AIMS TO BECOME THE MOST HIGHLY TRUSTED AND INNOVATIVE COMPANY BY:

1. Focusing on customer satisfaction: Making customer satisfaction a top priority by providing outstanding service and personalized solutions that meet their unique needs. This can be achieved by listening to their concerns, offering transparent pricing, and ensuring timely completion of all projects.
2. Develop a strong online presence: In today's digital age, having a strong online presence is essential for business success. Invest in a user-friendly website that showcases your services, customer reviews, and pricing details. Utilize social media platforms to reach a wider audience and engage with potential customers.
4. Hire skilled and reliable professionals: Hire skilled professionals who are reliable, trustworthy, and committed to providing exceptional customer service. Provide ongoing training to keep them up-to-date with the latest industry trends and practices.
5. Focus on sustainability: Incorporate sustainable practices into your business operations and service offerings. This can include using eco-friendly materials, offering energy-efficient upgrades, and minimizing waste in all aspects.
6. Build partnerships: Developing partnerships with other businesses. This can help expand your customer base and provide opportunities for cross-promotion. By implementing these strategies, CK Skillset will differentiate itself from competitors, attract a loyal customer base, and position itself for long-term success.
